ICHOM AUTISM SPECTRUM DISORDER (ASD) WEBINAR AGENDA

Total time: 120 minutes

Sessions

3 Plenary Sessions + 3 breakout groups with Q&A.

Webinar Format

Attendees will not be able to unmute or use their webcam.

Welcome by Jamie Heywood, ICHOM Board Member

Session 1:

Introduction to ICHOM

Speakers:

Andria Joseph
(ICHOM Project Leader)
Zofia Das-Gupta
(ICHOM Director)

Topics covered:

- What is Value-Based Healthcare?
- What is ICHOM?
- ICHOM's Mission
- ICHOM Methodology & ASD set methodology

Session 2:

ASD Standard Set

Speakers:

Dr Ivy Chong
(ICHOM ASD Chair / Senior Vice President, Children's Services Home, School, & Center Based Programs)
Dr Tim Kutta
(ICHOM ASD Research Fellow)

Topics covered:

- Introduction to the current status of the ASD space
- Introduction to the ASD Set
- Presentation of the set – outcomes, tools, case mix and definitions

Session 3:

Implementation of the ASD set

Speakers:

Dennis May
(CEO Hopebridge)
Hanna Rue
(CCO LEARN)

Topics covered:

- Implementation
- Next steps

At the end of the webinar attendees will be directed to a Zoom link where the breakout sessions will begin. This link will be in the chat function and also in the original invite.

Transition period: ICHOM will welcome the group in the Zoom link and explain the next steps, including how attendees can choose the groups.

Breakout Groups (three groups)

- Three groups: ICHOM, ASD Project Team, ASD Sponsors
- One chair per group to moderate the discussion
- Each group will have a list of questions to ask, this will be provided by ICHOM
- Attendees can choose which group they want to go to

Wrap-up: Attendees will be brought back to the main Zoom session for the Summary Discussion.
