

ICHOM MEMBERSHIP

Built by the organization that
**defines the global standards
for outcomes measurement.**

**ICHOM
MEMBER**

Advance Your Impact in Value-Based Healthcare

As value-based healthcare scales globally, professionals need more than theory. **ICHOM Membership** is built for those working across healthcare who want to deepen their expertise, connect with global peers, and actively shape how outcomes-based care is implemented in practice.

It gives you the tools, insight, and network to drive measurable improvements in patient outcomes.

Why This Matters to Your Organization

- ✓ **Strengthening internal expertise** in outcomes measurement and VBHC implementation
- ✓ Enabling your team to **apply proven frameworks and real-world case studies**
- ✓ Connecting your organization to a **global network** shaping healthcare delivery
- ✓ **Supporting leadership development** in a rapidly evolving healthcare landscape

What You Gain as a Member

Learning & Professional Development

- Member Exchange virtual learning series and educational content
- Access to curated research, abstracts, and VBHC publications
